

OTHILIA

LOBBY BAR

“Slow Sunday” Menu 12:00-17:00

Comfort food & Bloody Mary’s

Stories suggest that the Bloody Mary was named after a server named Mary, who worked at a saloon bar called “The Bucket of Blood” in Chicago. Others claim it was named after Queen Mary Tudor of England. No one knows for sure, but as Prohibition waned, the drink took off in America and the name stuck.
